## **Southern Chester County Chamber of Commerce Welcomes New Member of the Community: Cypress Veterinary Clinic**

**November 1, 2022-Kennett Square, PA . . .** The Southern Chester County Chamber of Commerce was proud to partner with Cypress Veterinary Clinic for their Ribbon Cutting and Grand Opening on Saturday, October 29<sup>th</sup>. Chamber members, friends, and clients were on site to welcome the new business and resource to the Southern Chester County community.

The Mission of Cypress Veterinary Clinic is to provide high-quality compassionate medicine while maintaining and nurturing the human-animal bond. They ensure a close, respectful, and safe environment for clients and staff. CVC strives to provide inclusive care from prevention of disease, through illness and injury to senior care. They offer full diagnostic and comprehensive care, including but not limited to preventative care, soft tissue surgery, dental prophylactic care and surgery, digital and dental X-ray, in-house laboratory, day-time emergency/urgent care and hospitalization and select end of life house calls.

Dr. Laura Johnson proudly founded Cypress Veterinary Clinic in the Spring of 2022. She has been involved with Veterinary Medicine for over 25 years, her experience ranging from starting as a technician, to working in a 24-hour Emergency and General Practice Hospital and working locally in Southern Chester County before opening CVC. Dr. Johnson received her B.S in Agriculture from the University of Delaware & her VMD from the University of Pennsylvania. Her professional interests include internal medicine and emergency/critical care. She is excited to be able to offer Compassionate Veterinary Care in Kennett Square.

“We are proud to welcome Cypress Veterinary Clinic to Southern Chester County”, said Cheryl Kuhn, the Chamber’s President & CEO. “We are grateful for Dr. Laura and her staff for bringing their compassion and love of animals to our growing community.”

**About Cypress Veterinary Clinic**

Cypress Veterinary Clinic is a progressive, veterinarian-owned, non-corporate small animal hospital. They believe pets are members of the nuclear family and they will nurture and support that human-animal bond. CVC will approach your pet’s care as they would for any other family member in a collaborative, respectful, and compassionate manner. CVC is a paperless practice with advanced communication and practice management systems for ease of online or live scheduling with text and email capabilities to discuss your pet’s health and for ease of payment.
