- Avon Grove Charter School earned national recognition as one of the Best Communities for Music Education.

West Grove, PA – Avon Grove Charter School has earned the national distinction of being named one of the 2021 Best Communities for Music Education. The National Association of Music Merchants (NAMM), a national non-profit, recognized AGCS for our outstanding commitment, support, and access to music education to our students. AGCS is one of 686 schools/districts in the nation chosen for this esteemed honor.

To qualify for the Best Communities designation, the Performing Arts department answered detailed questions about funding, graduation requirements, music class participation, instruction time, facilities, support for the music program and community music-making programs.

We are proud of the Performing Arts department and the teachers who make AGCS one of the best!
