- Seventh Graders - Jonathon Orose and Lauren Tyree
- Earned President's Volunteer Service Award from the President of the United States

West Grove, PA – Avon Grove Charter School is proud of our students' commitment to making our community a better place. AGCS seventh graders, Jonathan Orose and Lauren Tyree, so thoroughly demonstrate this commitment to volunteering they have earned the President's Volunteer Service Award bestowed on behalf of the President of the United States. In a ceremony on Friday, November 6, Head of School, Mrs. Kristen Bishop, and MS principal, Mrs. Geri Ann Lambert, recognized Jonathan and Lauren for over 545 combined volunteer hours in just the last year. The two volunteer for animal shelters, school, church, scouts and one of them founded a nonprofit concert series (Cul de Sac Concerts) that both of them performed in raising over \$15,000 for local food banks during the Covid pandemic. We are so proud of the difference that our students make both within and outside of our AGCS community.
