

Please join us in welcoming our new Volunteer Coordinator, Gail Mink! Gail is excited to join the PF family. She lives locally in Garnet Valley, PA, and keeps her 15 year old OTTB "Trebuchet" at Elm Spring farm in Chadds Ford. She and Treb have enjoyed eventing at the lower levels for the past several years, training with Jimmie Shramm along the way. Sadly, Treb has had some health issues that have sidelined him from competition, so Gail has turned that extra free time into an opportunity to join the PF team! Gail is an English teacher at Garnet Valley Middle School, and when she is not teaching 6th graders or riding her horse, you can find her out on the trails mountain biking with her husband of 30 years, Dave. Gail has two grown daughters, neither of whom ride but both of whom enthusiastically support all of her equestrian endeavors. We are so excited to have Gail on board, if you see her out and about at Plantation Field, be sure to say hello!

Kick On,
