Whisman Giordano & Associates, LLC Announces the Hiring of an Accountant

[Newark, Delaware] – Whisman Giordano & Associates announces the hiring of Mohammed Bouceddi as a staff accountant. He is a graduate of the University of Maryland: Global Campus, with a BS in Accounting. He is focused equally on both the audit and tax practices of the firm.

Mohammed or “Mo” shared that he is “excited to be part of team.” He spent time in college tutoring fellow students. His desire to help others achieve their goals is an excellent fit for a firm where our motto is “Building Extraordinary Relationships.” We believe that nothing is more important than taking care of our clients on a human level while delivering expert technical advice. Mohammed was born in Morocco and came to the United States at a young age. He speaks multiple languages, is an avid gamer, a car enthusiast, and can be found on the beach in the warm months.

President and Managing Partner, Joseph V. Giordano says, "We're thrilled to welcome Mohammed to our team. As a firm, we are committed to mentoring and investing in accountants who are early in their career. Mo is an intelligent, positive, and good human who we just had to have on our team. We always hire with our motto, *Building Extraordinary Relationships* in mind, and I have no doubts of Mo's ability to embody this belief."
